Title	Regional Sales Director	Payroll Date	September 20, 2026

Override Summary

Order / Customer	Type	Rate	Commissionable (order net)	Full Override (rate × net)	Delivery Holdback	Collection Holdback	Earned This Period
BA-2608-002 Medrino LLC	Regional Override - Tier 1	3.0%	\$130,500.00	\$3,915.00	(\$1,957.50)	(\$457.50)	\$1,500.00
BA-2608-006 Kind Health & Wellness (Dr. Falon Perrin)	Regional Override - Tier 1	3.0%	\$132,305.00	\$3,969.15	(\$1,984.57)	(\$484.58)	\$1,500.00
BA-2608-007 Ciocca Dermatology	Regional Override - Tier 1	3.0%	\$120,000.00	\$3,600.00	(\$1,800.00)	—	\$1,800.00
TOTAL			\$382,805.00	\$11,484.15	(\$5,742.07)	(\$942.08)	\$4,800.00

Less: Prior Period Adjustments

\$0.00

Total Override to be Paid

\$4,800.00

Your **Rate** is applied to the order's **Commissionable** amount (net commissionable), giving the **Full Override** (rate × net). The **Delivery Holdback** (50% while the Boston Pico is on backorder) and the **Collection Holdback** (commission on cash not yet cleared) explain why this period pays less than the full override — they release as the Pico ships and the customer's balance clears. Full Override – holdbacks = **Earned This Period**.

Quarter Performance Summary

Quarterly Revenue	—	Commission Tier Achieved	Regional Override - Tier 1
Devices Sold	6	Accelerator Earned	No

Comments

Regional override, Tier 1 (3%) on orders 002, 006 and 007.
